6. How Our Waiting List Works

Matching	When kittens reach around 4 weeks old, families will be contacted in waiting-list order when a kitten becomes available that fits the preferences they have given us.
Preferences	If no kitten matches your stated sex/colour preferences, you will remain in your current position and this will not count as a pass.
Passes	You may decline a suitable kitten that matches your stated preferences up to two times while keeping your current position.
Third decline	If a third suitable kitten is declined, your place will move to the bottom of the waiting list.
Changes	If your preferences change while you are waiting, please let us know so we can update your details.

7. Waiting List Fee

£50 waiting list fee

The £50 fee secures your place on the Stagmoor waiting list. It is not an additional charge and will be deducted from your kitten reservation deposit when you select your kitten.

Submitting this questionnaire alone does not secure a waiting-list position. Your place is confirmed once the waiting-list fee has been received and the waiting-list agreement has been completed.

8. Finally...

Is there anything else you would like us to know about you, your home, or the kitten you are hoping for?
